

SUSK supports Euromaidan demonstrations across Canada

Over the last week, over one hundred thousand people have taken to the streets of Kyiv in response to the Ukrainian government's decision to suspend signing of the Association Agreement with the European Union. Kyiv's Maidan Square is brimming with a desire for change, reminiscent of the demonstrations that characterized the Orange Revolution almost 10 years ago. And now, just as then, they are not alone – Ukrainians in cities all over Ukraine and in many countries around the globe have held supporting demonstrations, collectively known as Euromaidans. SUSK members have actively joined such demonstrations in Vancouver, Edmonton, Calgary, Winnipeg, Toronto, Ottawa, and Montreal. In doing so, we support our fellow Ukrainians in Kyiv demonstrating their political will for a future with the European Union.

SUSK calls upon the President of Ukraine Viktor Yanukovich to sign the Association Agreement with the European Union immediately and respect the democratic will of the majority of Ukrainian citizens, as has been evidenced by demonstrations and several recent public opinion polls.

SUSK encourages its members to spread information about Euromaidan via traditional and social media networks to highlight our solidarity with the people of Ukraine:
