

## SUSK “Student” Publication Survey

In an attempt to build the historical archives of our organization, the SUSK National Executive hopes to collect information about its student-driven newspaper “Student” from SUSK alumni. We invite alumni to share any historical information they may have about “Student”, as well as any personal anecdotes and accounts relating to their experience with “Student” – several sample questions are included below:

- Do you have any historical information about “Student” to share?
  - Do you know of any significant issues that were released?
  - Do you recall “Student” ever being featured in Ukrainian and/or Canadian media?
  
- Did you ever contribute submissions to “Student”? Did you ever serve as an editor of “Student”?
  - Can you tell us a bit about your experience with “Student”?
  - What role did “Student” play in your student life? And in the activities and life of SUSK in general? Was “Student” important? Why or why not?
  - Please feel free to share any personal anecdotes and accounts from your student years relating to “Student”

Please send your responses to [alumni@susk.ca](mailto:alumni@susk.ca). Alumni may request to have their responses kept anonymous upon submission.

On behalf of the SUSK National Executive,
