APPLICATION DEADLINE JULY 15

The Paul Yuzyk Institute for Youth Leadership invites high school and university age students to participate in an exciting **four day** exploration of the world's largest eco-museum showcasing the historic block settlements of the Ukrainian Canadian pioneers dating back to the late 1890s.

This multifaceted education excursion, conducted bilingually in Ukrainian and English, will provide an opportunity for students to learn about the early immigration experience, prairie architecture, challenges of preserving cultural heritage, and will include participation in Edmonton's Multicultural "Heritage Days Festival".

Kalyna Country Education Excursion Objectives:

- Strengthening leadership abilities
- Understanding Canada's multicultural reality yesterday and today
- Improving the understanding of the roles of volunteerism and government in sustaining Ukrainian community life in Canada

* Meals will be provided and dorm-style lodging will be at St. John Ukrainian Institute in Edmonton. Enrollment is limited to 20 participants.
