

SUSK & USS Host Networking Event in Edmonton

The Ukrainian Canadian Students' Union (SUSK) and the Ukrainian Students' Society at the University of Alberta (USS) hosted a joint networking event on November 26th, 2014. The event was hosted at, and sponsored by, St. John's Institute on Whyte Avenue. The event was the first of its kind in Edmonton where students had an opportunity to meet Ukrainian professionals in many various industries. Backgrounds of the professionals included engineering, education, public relations, communications, finance, marketing, academia, warehousing, management, healthcare, and fine arts.

Through the Ukrainian Canadian Congress Ukrainian Dragons initiative, SUSK received funding for several projects, including hosting networking events across Canada with their member Ukrainian Students' Organizations are located. USS is a proud member of SUSK and works together to help foster a stronger Ukrainian student community across Canada.

USS and SUSK would like to thank St. John's Institute for generously sponsoring the event and for helping students and youth develop in the community.
