To whom it may concern,

“Help for Heroes Children” is a volunteer organization, our mission is to deliver support for children whose fathers were wounded during Maidan and in war. We care about children whose fathers made sacrifices to achieve peace and democracy in Ukraine.

The war in Ukraine is not over, hundreds of children have been suffered life-changing injuries, their battles are just beginning. We will not let them fight these battles alone.

That's why we would like to ask for your help in donating toys, school supplies, clothing and financial assistance to children in need in Ukraine. Families of the children were affected by war and your assistance is greatly appreciated. Your time and generosity would be greatly appreciated.

Supplies will be distributed by Olha Babichuk - a volunteer of the organization (+38067 8005548). Please see our group page for more information <https://www.facebook.com/ditygeroiv>

Thank you,
